

## Jazzy

*Jazzy is a potato with a beautiful elongated shape and a small to medium caliber. Jazzy stands out for the few rejections produced and a flavor to discover. Its thin skin allows to taste it without peeling it!*

### GENERAL INFORMATION

Market	<b>Fresh</b>	Spacing	<b>25 to 30 cm</b>
Maturity	<b>Mid-season</b>	<i>The spacing should be adjusted according to the desired tuber size. The number of tubers per plant is high with high yield potential for «fingerling» production.</i>	
Skin	<b>Yellow</b>		
Fertilization	<b>Moderate</b>		
Conservation	<b>Good conservation</b>		

### TOLERANCES

Scab	<b>Moderately resistant</b>
Fusarium	<b>Sensible</b>
